

Chios island offers a huge variety of unique beaches so that everyone can enjoy the magic of the Aegean Sea in her or his own way: crowded or isolated beaches, with sand or pebbles... and, of course, with an unbelievable crystal water bathing every single shore.

The most cosmopolitan beaches are the closest ones to the main town of Chios.

[North Beaches](#)

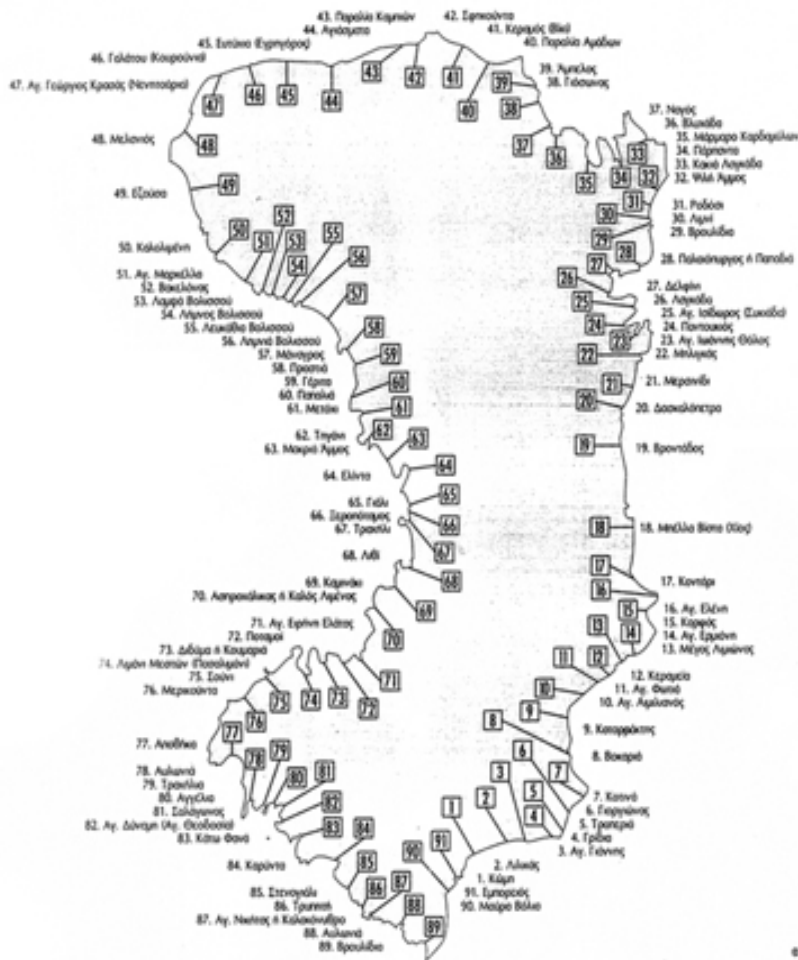

[Central Beaches](#)

[South Beaches](#)

This Island also has a more beaches that are not as well-known or popular but are nonetheless beautiful. On most of these beaches you will find small taverns and snack-bars that will make your visit pleasurable.
